

Continuing Education Requirements for Kentucky Marriage & Family Therapists (And How to Stay on Track)

As a licensed marriage and family therapist (MFT) in the state of Kentucky, it is your responsibility to adhere to continuing education requirements each period in order to renew your license. Beyond license renewal being key to you maintaining your practice, continuing education is essential to stay abreast of what is happening in your field – something your clients will always appreciate you taking seriously. Education is how we all continue to learn and further hone our skills and expertise, so it's certainly something to be celebrated. Though education is fantastic, keeping on track with the many hours you need to fulfill can be a challenge. Thankfully, there is a fantastic resource available to help you with that. Before we dive into the resource, let's start by outlining what is required of Kentucky MFTs in order to renew their license every cycle.

Licensee Requirements for Kentucky Marriage & Family Therapists

Marriage and family therapists that are licensed in Kentucky have a responsibility to earn 15 hours of approved continuing education every year if they wish to continue their practice the next year. Hours are considered to be approved if they are “[in the practice of marriage and family therapy](#)” and are offered by an approved provider (see [2022 list](#) or [2021 list](#) for providers that the board has approved during monthly board meetings). As a final requirement, a minimum of three hours each year must be on professional ethics in marriage and family therapy.

Key Takeaways:

- **MFTs in Kentucky must earn 15 hours of continuing education annually.**
- **All hours have to be considered approved in order to be accepted with a renewal application.**
- **At least three hours need to be on professional ethics in the field.**

Given marriage and family therapists are likely to achieve their continuing education certificates in increments, from various workshops, conventions, agencies, and institutions, there is a lot of documentation to keep track of (potentially 15 or more certificates throughout the course of the year). As proof is required when you apply for your license renewal, it's imperative you keep all of those certificates in a safe place – easily accessible and easy to track your progress. CE Hub is the safe place you need to work through your continuing education with ease.
