

Continuing Education Requirements for Mississippi Psychologists (And How to Stay on Track)

As a licensed psychologist in the state of Mississippi, it is your responsibility to adhere to continuing education requirements every period in order to renew your license. Beyond license renewal being key to you maintaining your practice, continuing education is essential to stay abreast of what is happening in psychology – something your clients will always appreciate you taking seriously. Education is how we all continue to learn and further hone our skills and expertise, so it's certainly something to be celebrated. Though education is fantastic, keeping on track with the many hours you need to fulfill can be a challenge. Thankfully, there is a fantastic resource available to help you with that. Before we dive into the resource, let's start by outlining what is required of Mississippi psychologist in order to renew their license each cycle.

Licensee Requirements for Mississippi Psychologists

Licensed psychologists in Mississippi are required to complete 20 hours of approved continuing education every two years (should they wish to renew their license for another cycle). Continuing education is considered approved if it is offered by any of the following entities: the American Psychological Association, the National Association of School Psychologists, the Canadian Psychological Association, the Accreditation Council for Continuing Medical Education Category 1 or the American Medication Association Category 1, as well as others approved by the MS board listed [here](#). As an additional requirement for licensees, a minimum of two hours each cycle must be on ethics or legalities in the practice.

Key Takeaways:

- **Mississippi psychologists must complete 20 hours of continuing education every two years.**
- **All hours have to come from Board-approved entities, as listed above.**
- **At least two hours need to be regarding ethics or legalities.**

Given psychologists are likely to achieve their continuing education certificates in increments, from various workshops, conventions, agencies, and institutions, there is a lot of documentation to keep track of (potentially 20 or more certificates throughout the course of two years). As proof is required when you apply for renewal, it's imperative you keep all of those certificates in a safe place – easily accessible and easy to track your progress. CE Hub is the safe place you need to work through your continuing education with ease.

What is CE Hub?

CE Hub is an app built specifically for psychologists. Recognizing the difficulty that is storing continuing education certificates and keeping track of your hours, CE Hub was created to take the stress out of continuing education requirements. Instead of worrying throughout the period that you may not be on track, or perhaps that you may have lost a document or two, CE Hub provides you the peace of mind you need to enjoy the learning process. Using the platform is simple: you sign up, upload your continuing education certificates as you obtain them, then CE Hub handles the rest. All of your continuing education credits are tracked for you, and you even receive a reminder when it's time to renew your license. Alleviate the stress of continuing education requirements by taking advantage of CE Hub today!
