### Licensee Requirements for Rhode Island Psychologists

Licensed psychologists in Rhode Island must fulfill a requirement of 24 hours of continuing education every two years if they wish to renew their license for another cycle. Licenses expire on June 30 in even-numbered years, so all hours need to be earned before that date. All 24 hours can be obtained through online or distance learning, so long as they fit the requirements for approved continuing education programs, which are those relevant to psychology and: sponsored/approved by the Rhode Island Psychological Association or the American Psychological Association, sponsored/approved by other professional psychological organizations that are recognized, sponsored/approved by the Rhode Island State Nurses Association (or other state nurses), or other programs listed in part 15.9 A [here](#).
